 memrise

is difficult & nobody wants to help

# Speak Local

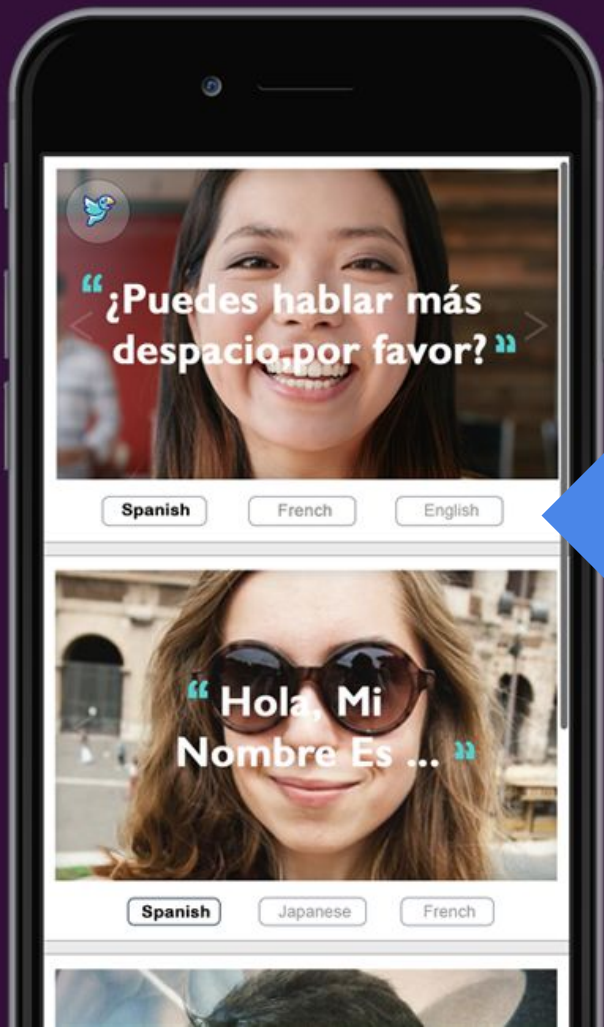

**Over 33% of Texans  
speak a language other  
than English**

English, Spanish, Vietnamese top the most spoken languages in Texas respectively according to Wikipedia.

Immigration to Texas due to jobs, international conflict displacement and family based continues to increase every year.

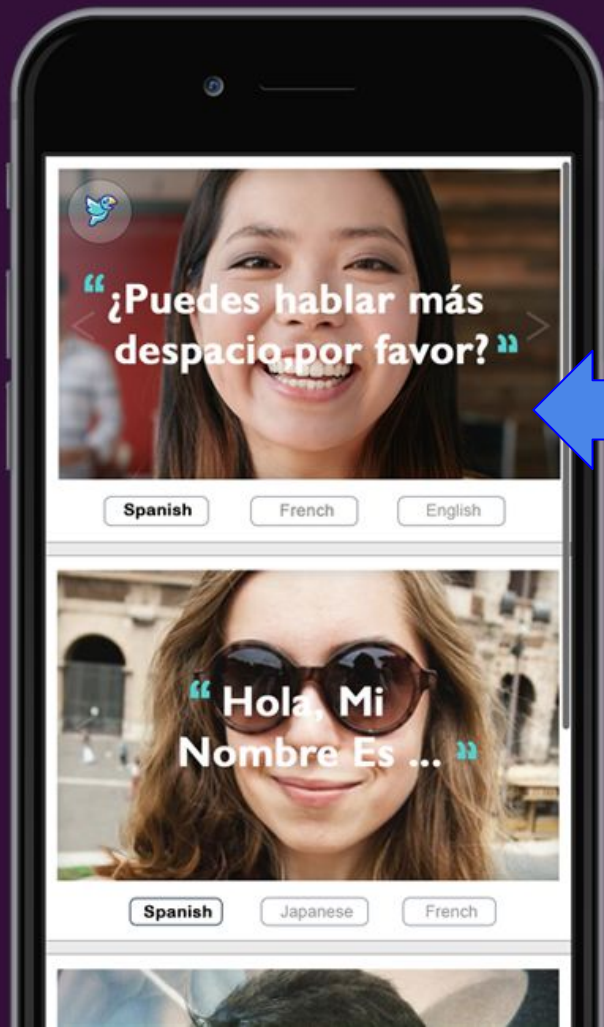

## All Languages

Our platform supports all languages, including sign language.

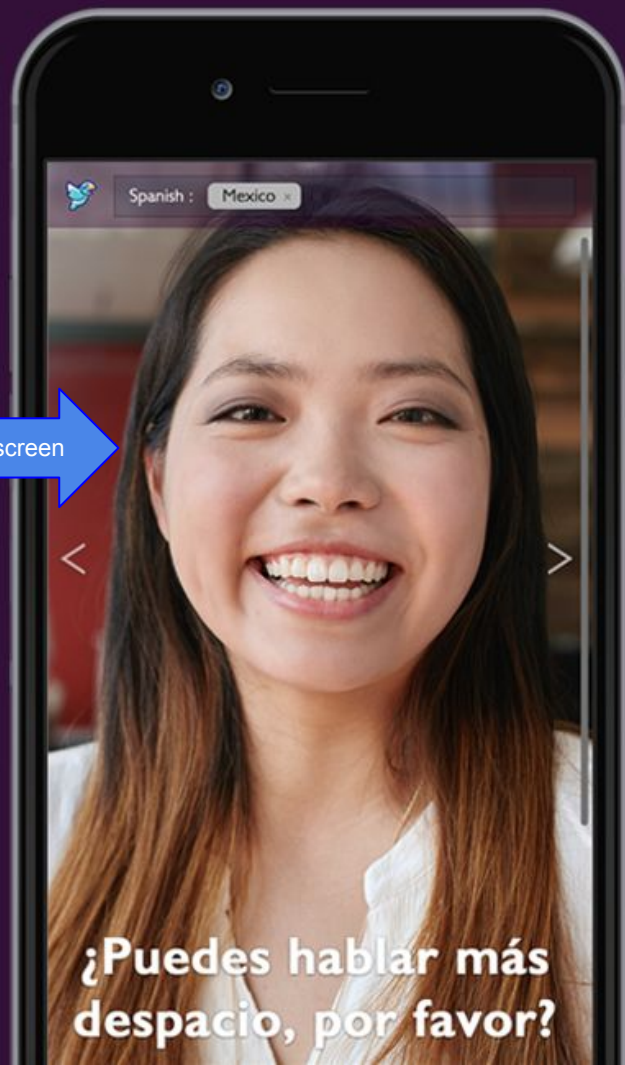

This is possible when users submit content to the platform.

We also produce in-house content.
